Phone: (909) 383-6799 (work) (909) 383-6477 (work)
or (909) 383-4631 (Caltrans Public Affairs)

DEVORE 2 – UPDATE

San Bernardino County – Caltrans is working toward finishing the Devore 2 pavement rehabilitation project on Interstate 15 (I-15) at the Interstate 215 (I-215) in Devore, just below the Cajon Pass. The following work schedule has been established to expedite work on the northbound I-15, which has caused some delays to weekday morning commuters. The work to be completed during the daytime lane closures is paving. Temperatures must be above 50 degrees in order to pave. Inclement weather will have an effect on the work schedule.

No work will take place from Friday night to Monday (March 2 – 5).

Night work will continue for the Devore 2 project Monday through Thursday evenings unless otherwise scheduled (as seen below). Southbound I-15 will have lane closures from 6:00 p.m. to 4:00 a.m. Northbound I-15 will have lane closures from 10:00 p.m. to 8:00 a.m. Some of this work can be completed in inclement weather. The project is expected to be complete in March 2007.

Tuesday, March 6, from 8:00 a.m. to 12:00 p.m. (noon) DAYTIME WORK

Northbound I-15 – Two lanes available from Glen Helen Parkway to 15/215 junction

Tuesday, March 6, from 8:00 a.m. to 2:00 p.m. DAYTIME WORK

Northbound 215 – one lane available from Devore Rd. to just past 15/215 junction

Product availability or inclement weather may reschedule this closure.

Additional updates on the project schedule will be released when available. For more information on this project or other Caltrans roadwork, please go to our website at www.caltrans8.info. You may request a Devore 2 brochure or sign up for weekly alerts from the website. If you do not have access to a computer, please call us at (866) 383-4631.
